

Tools

Intelligent beings¹ make tools² to help them do things. And people are extremely intelligent!

What are some of the tools we use very often?

When you cook, you need a knife to cut up vegetables and meat.

In the kitchen, there are lots of tools! For cooking and eating you need a knife³, fork⁴, and spoon⁵. And if you like spaghetti with ketchup and cheese, you need a grater⁶.

For cleaning the house, you need a broom⁷, a small shovel⁸ and a mop.

For cleaning the floor, you need a bucket of water and a mop.

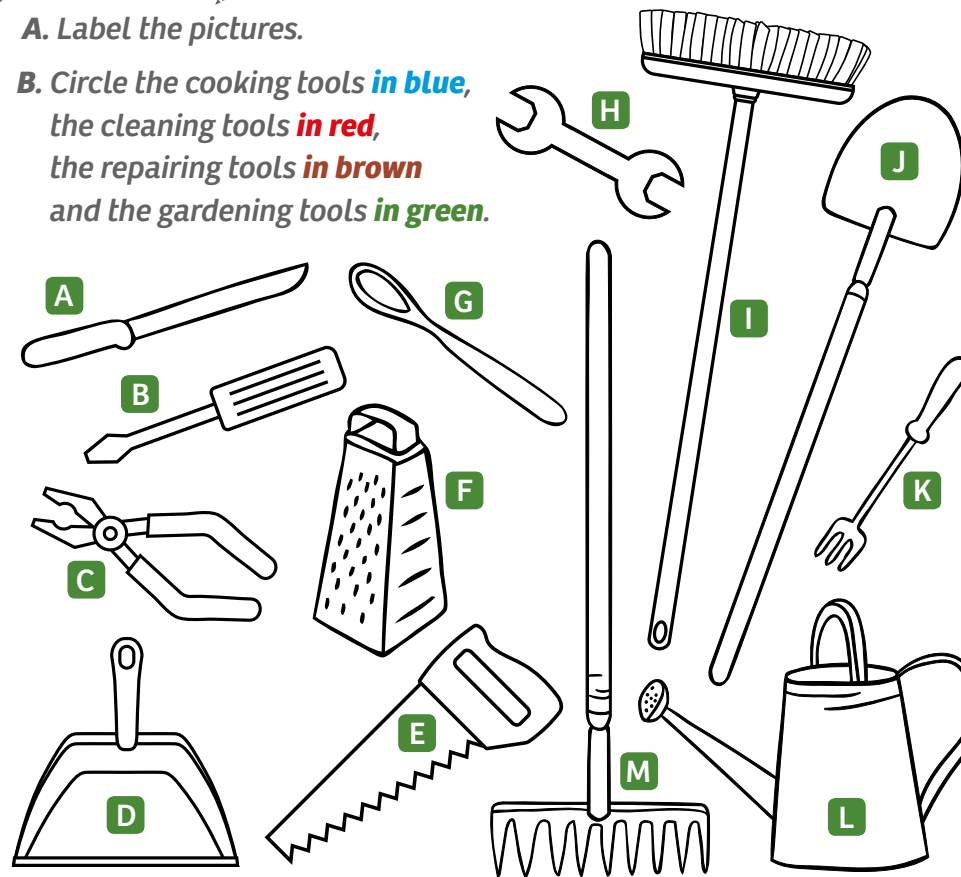

When you want to repair something in the house, the garden or the garage, it's good to have screwdrivers⁹, spanners¹⁰, pliers¹¹ and a saw¹².

When you want to cut some wood, you need a saw.
