

Key Holder

It's not very difficult to make a key holder. You can use different kinds of hooks¹ and a piece of wood. Just choose what looks good in your hall. Or perhaps it can go in your dad's garage, and you can make him a nice Father's Day gift!

YOU NEED

For the key holder

- > a nice piece of wood
- > hooks
- > screws
- > a marker
- > a drill
- > a screwdriver

For the hanger

- > 2 nails
- > a piece of wire
- > a hammer

LANGUAGE NOTE

* a hammer – a tool, **to hammer** (something in) – to use a hammer
 a drill – a tool, **to drill** – to use a drill

PROCESS

- On the back side² of the wood, hammer* in two nails.
- Connect³ the nails with the wire to make a hanger⁴.
- On the front side⁵, place⁶ the hooks and make marks.
- Drill* small holes⁷ for the top screws⁸.
- Using the screwdriver, screw in the screws.
- Repeat steps 4 and 5 for the bottom screws⁹.
